DAVI NAIZER

Front-end Web Developer

PROFILE

I have been creating web and learning content for almost 18 years now. I have worked on many projects throughout these years along leading companies like Kraft Foods, Electrolux, Volvo Motors, HSBC Bank, Furukawa Electric, GP Strategies, Metlife, Boticário Group and many others.

As a tech enthusiast and an eager learner, I'm always looking for new tools and ways to improve mine and team's quality of life.

WORK EXPERIENCE

- **2017-Pesent** — **FREELANCE FRONT-END DEVELOPER**

- **2009-2017** — **CO-FOUNDER & DEVELOPMENT MANAGER**
  UNBOX Learning Experience

  Relevant Achievements:
  · Managed for more than 7 years a small (about 12 people), but successful e-learning, tech, and design company.
  · Decreased in ~65% the time taken to develop an online course/e-learning from ~3 months to ~4 weeks. This was achieved by developing an e-learning framework (see E-book Framework in my portfolio) and implementing tools for team, time and tasks management. As well a workflow and changes in all production stages: briefing, conception, UX/UI design, development, product deliver and quality control.

  As a Manager:
  · Planning, delegation and communication;
  · Digital learning solutions conception;
  · Research & propose new products;
  · Strategic Planning;
  · Writing Proposals for Business;
  · Coach and Mentoring.

  As a Developer:
  Develop and implement:
  · Customized e-Learning solutions (AS3, HTML, CSS, JS);
  · Game-based learning (AS3, OOP);
  · Learning Management Systems - LMS (Moodle, HTML, JS, CSS, AWS EC2, Linux).

  As a Partner/Director:
  · Pricing;
  · Organize and track financial information;
  · Financial reports review.

- **2007-2009** — **LEAD WEB DEVELOPER**
  G/PAC Comunicação Integrada

  As a Team Lead:
  · Responsible for planning, delegation, communication, and time management.

  As a Developer:
  · Translate instructional concepts into interactive graphics or animations;
  · E-Learning development (Flash, AS, SCORM);
  · Game-based learning development (Flash, AS3, OOP, SCORM);
  · Promotional Websites development (HTML, CSS, JS).

- **2005-2007** — **E-LEARNING DEVELOPER**
  HSBC Bank Brasil

  · Develop, test and implement tools for learning content authoring (ASP, SQL Server)
  · Learning Management System administration (LMS)
  · Server administration (Windows Server)

- **2001-2005** — **WEB/ACTIONSCRIPT DEVELOPER**
  G/PAC Comunicação Integrada
